ABOUT US

Sharing the appeal of food culture through sustainable business.

FUOMIEI TRADING CO.,LTD. is an export partner that leverages a network of producers and processors across Japan to deliver Japanese food products to overseas markets.

Rather than simply selling products, we organize usage, price ranges, market characteristics, and logistics conditions to provide practical proposals for each project.

OUR PURPOSE

Our Role

- 01** **Product Proposal & Sourcing**
We organize and propose origins, grades, specifications, applications, and price ranges for Japanese Wagyu, seafood, and other food products.
- 02** **Coordination of Processing & Shipment Conditions**
Before export, we confirm and coordinate required conditions such as cut specifications, packaging format, chilled or frozen shipping, and delivery schedule.
- 03** **Export Procedures & Stable Supply**
We prepare export-related documents such as invoices and packing lists, arrange shipments, and place emphasis on continuous business.
